

Presidential Address:

A Year in Review

By Janel Walter

This year has flown by and I was honoured to be your President! We had great programs and extra activities including the recent golf tournament! The weather couldn't have been better and I think we all had great fun! Thank you to those who sponsored and donated to the golf tournament! Proceeds go towards ASHRAE Research and we couldn't continue to make improvements in our standards without your generosity.

At this year's Annual Meeting our very own Rob Craddock was the recipient of two prestigious awards. He took home the Distinguished Service Award and the Government Activities Award. Both awards recognize his dedication to ASHRAE through time served and the effort towards creating awareness of technical issues to Government. Way to go Rob!

I want to finish out the year by thanking our Board of Governors for all of their hard work and dedication this past year. The time and effort you all put in to your positions this year is what made it so successful and won us the most outstanding Chapter at this year's CRC!!!

I look forward to next year when I will be moving into the Research Promotion Chair and can't wait to see what our BOG has in store for us next year!

Have a great summer everyone and I will see you all at our meeting in September!

Josh Thomas tees off at the ASHRAE Golf Tournament

Research Promotion

by Alana Yip

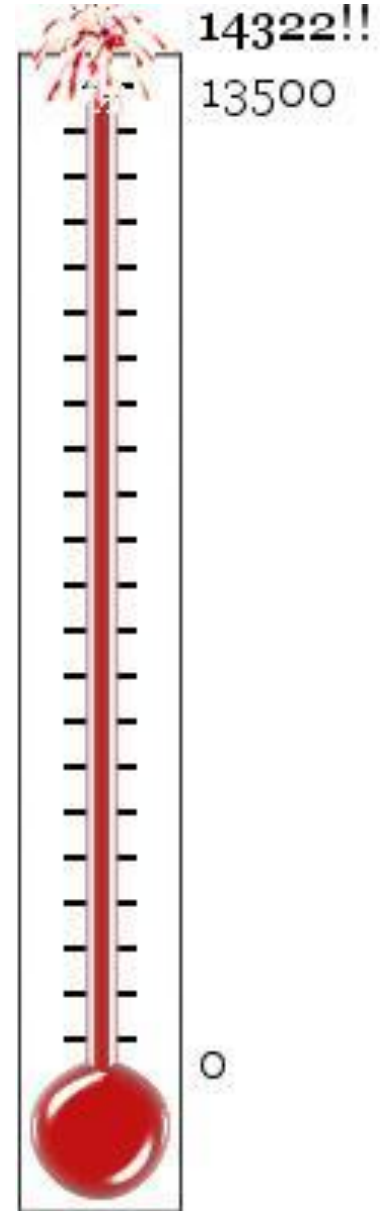

Thank you to all those ASHRAE members who came out to support the ASHRAE/MCA joint golf tournament that was held at Deer Valley Golf Course on June 11, 2015. The tournament had some excellent weather and raised \$985 for the ASHRAE Research Campaign. Special thanks to Don Bell, with Sask. Insulation Contractors Association, who continually generously donates an autographed Saskatchewan Roughrider George Reed jersey to be auctioned off. The lucky winner was Ryan Tynning from Swift Plumbing & Heating, and the winning donation towards the RP Campaign was \$550! Thank you Don Bell and Ryan for your support!

Also I want to thank Jason Danyliw and Wayne Tkach for your help on the organizing committee, leading up to the tournament and during the tournament. Thanks to those members who volunteered on behalf of ASHRAE for the tournament, especially Gord Anderson, Graham Reimer, Brad Lulik and Julia Lenten.

I want to say a huge thank you to all the individuals and companies who made generous donations to support the 2014/15 ASHRAE Regina Resource Promotion campaign. We once again surpassed our goal! I had a goal of \$13,500 this year and was able to raise \$14,322.83 from your support! This is around \$150/AAM (Area Assigned Member), and is one of the highest \$/AAM in our region. We have an awesome supportive chapter and because of this we can keep our industry strong and growing!

On the regional level, we hit a new high of \$174,540. On the Society level, the RP campaign finished the year with \$2,536,195! This is 115% of their goal and set a new high and surpassed \$2.5 Million! That is a huge accomplishment and hats off to you all for your contributions!

Have a fabulous summer and see you in September!

Committee Chair Reports

THANK YOU for raising \$ 14,322.83 !
