President's Message

By Dan Brothers

Hello everyone, here we are at the end of the year already. Time sure flies when you're having fun. It's been a good year (I think) as president. I really appreciated having a dedicated group of people on the Board who are committed to making the Chapter run smoothly.

Thanks to the students who presented their design projects last month. It was a pleasure hearing about the work at which you've spent countless hours toiling away.

The meeting this month is a great grand finale for the year. We are hosting a joint meeting with Construction Specifications Canada – Regina Chapter. There will be a Lean panel discussion with 6 experts in the field to give us some context on what Lean means and how it can work for us. This is an emerging practice in our industry, and it will be very beneficial for all of us to learn everything we can. The discussion will be chaired by Gord Joorisity, who is the Executive Director of Project Management at Innovation Place. The flyer for the event is attached at the end of this Newsletter. Please respond with haste to the invitation in your e-mail whether or not you will be attending. It's very important that we have an idea how many people we can expect at the meetings. The meeting will be at the Delta, in the Umbria room on the 2nd floor.

For some background on Lean Construction, follow this link: <http://www.lcicanada.ca/>

President's Message - Continued

The annual golf tournament, hosted by ASHRAE and the Mechanical Contractors Association, is on June 23rd. It is at Deer Valley again this year. It may already be sold out; so if you aren't signed up yet, then you likely missed it, and if you are signed up, then you don't need to be reminded. It's always a blast and I'm looking forward to it this year, see you then!

Thanks for having me as president; I hope some of the meetings were informative this year. Jared Larson is the incoming president, and he is more than competent at running things.

See you at the Delta on the 11th.

Committee Chair Reports

Vice President's Message

By Jared Larson

Our chapter is hosting a joint meeting with CSC on the topic of LEAN construction. We want this to be an interactive discussion panel. Bring questions, or areas of interest within LEAN.

Panel will include the following (in alphabetical order):

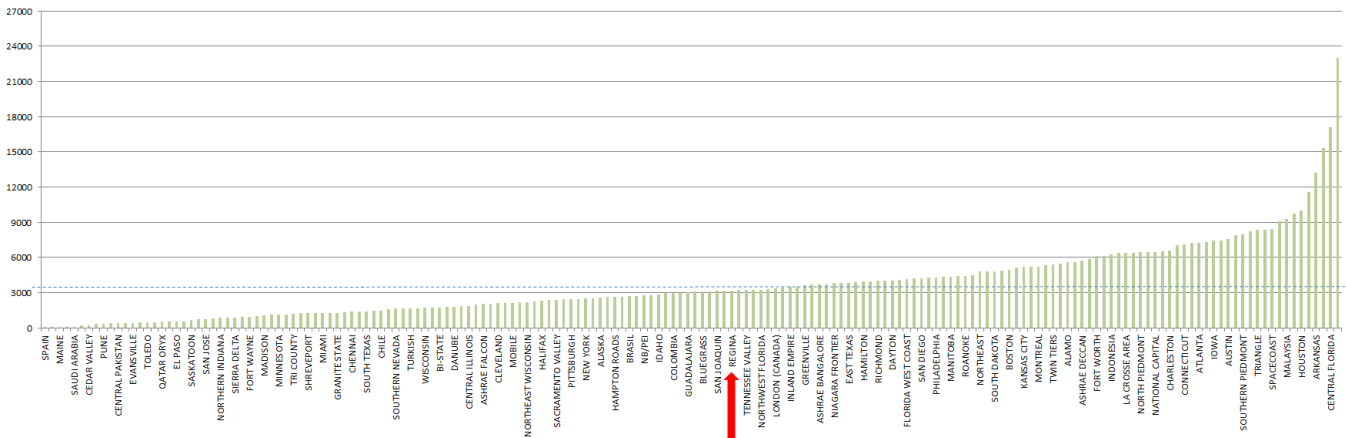

- Jim Allen (Five Hills Health Region)
- Tom Atkins, P.Eng. LEED® AP BD+C (Stantec Consulting Ltd)
- Eben Hamilton LEED® AP, PMP, DBIA CP(Graham Construction)
- Derrick Lamb B.A., M.Arch., SAA Graduate Arch, RAIC, Lean Green Belt (Stantec Architecture Ltd)
- Jason Marquardt (Marquardt Mechanical ULC)
- Ken Smith (ConBrio Consulting Services Inc.)

(see the attached poster for more details)

As we start planning for next year, please let me or Brad Huber know of any topics of interest.

May 12-14th is CRC in Saskatoon. Out of interest I looked up the PAOE points accumulated in Society. The Presidential Award of Excellence points are generally set up by Society to set goals and benchmark success in each chapter. We currently rank 84th out of 178 chapters as indicated by the red arrow in the graph below. It is interesting to see that with a small increase in effort we could find ourselves in the top 25%, or even better, if we can beat Atlanta. We have a great chapter, and some great minds on the board next year. I look forward to see what we can accomplish next year.

Society Summary of Chapter PAOE points

Ways & Means

By Wayne Tkach

The June 23, 2016 Golf Tournament is sold out, in just a few days, everyone who wanted to get a team in got registered early. Just a reminder for those that have a team registered to get your payments in. We now need prizes for the tournament, so look around your offices and see if you can find something suitable or not to donate as a prize. Prizes can be dropped off at ECCO, or here to me at my office or to Jason at HVAC. We are also looking for volunteers to sit at specific holes to help out the tournament, should there be anyone out there interested in getting a day out in the sun and have a good meal afterwards me know. Call 306 586 7972.

Membership Promotion's Message

By Jason Danyliw

I would like to welcome the following 2 new members to our ASHRAE Regina Chapter:

1. Sebastian Walrond – W4 Project Services Inc. Regina
2. Pierre-Andre Ranger – Johnson Controls Canada LP Regina

It is great to see new members joining our Chapter to get the benefits of industry networking, along with valuable technical knowledge on industry topics. So please join me in welcoming them to our Regina Chapter.

I am continually searching for new members for our local Chapter. So if you know of anyone within your organizations that would be interested in joining our local ASHRAE Regina Chapter, please have them contact me at jason@skhvac.com, and I can help to get them registered.

See you all at the May meeting!

LEAN Construction Discussion Panel

Located at the **Delta Hotel**
1919 Saskatchewan Dr,
Regina, SK
Wednesday **May 11, 2016**
Cocktails 5:00pm
Panel discussion 5:15–6:15
Dinner 6:30

Cost (includes dinner):

ASHRAE Regina Chapter Members no cost (included in annual dues)
Non ASHRAE members \$40 (Payment Collected by Brad Huber through ASHRAE)
CSC members \$40 (Payment Collected by Dylan Elliot through CSC)

Come join our ASHRAE-CSC joint dinner meeting. We will have an interactive discussion panel composed of various aspects of LEAN. These include Marquardt Mechanical who are currently applying LEAN principles to their company, and ConBrio Consulting, an industry advocate of LEAN construction and Integrated Project Delivery (IPD) with the Lean Construction Institute. The panel will also include the Five Hills Health Region, Graham and Stantec, all of whom were involved with the recently constructed Dr. F.H. Wigmore Hospital in Moose Jaw. We also welcome Gord Joorisity, P. Eng as the panel moderator.

Panel will include the following (in alphabetical order):

- **Jim Allen** (Five Hills Health Region)
- **Tom Atkins**, P.Eng. LEED® AP BD+C (Stantec Consulting Ltd)
- **Eben Hamilton** LEED® AP, PMP, DBIA CP(Graham Construction)
- **Derrick Lamb** B.A., M.Arch., SAA Graduate Arch, RAIC, Lean Green Belt (Stantec Architecture Ltd)
- **Jason Marquardt** (Marquardt Mechanical ULC)
- **Ken Smith** (ConBrio Consulting Services Inc.)

RSVP by Friday, May 6th
